

CORONA POLICE

2024 ANNUAL REPORT

AT YOUR SERVICE

A MESSAGE FROM THE CHIEF

As we begin a new year, I am filled with gratitude for the continued trust and collaboration between the Corona Police Department and our community. Your commitment to public safety inspires us to strive for excellence in every facet of policing.

This past year, we have focused on enhancing public safety through forward-thinking strategies and the duty to provide the highest standards of service. Innovation has been central to our efforts, from adopting advanced technology to improve investigative work to implementing data-driven approaches that ensure efficient resource allocation. Highlights of our progress include:

- **Community-Centered Policing Initiatives:** We strengthened relationships with local businesses through the Business Liaison Program, prioritized the safety of our children in schools, and built upon the tremendous community support and trust by implementing strategies to enhance the quality of life across the city.
- **Technology and Training:** We expanded and refined our use of cutting-edge tools such as body-worn cameras, predictive crime analytics, and developed a real-time information center. At the same time, we ensured our team received continuous, industry-leading training to meet evolving tactics and challenges.
- **Health and Wellness:** We bolstered the mental health of both our community and department personnel through expanded partnerships with mental health professionals and crisis intervention programs. Additionally, we are committed to supporting our team members' physical fitness to sustain long and fulfilling careers in service to the community.

As we look to the future, our values remain steadfast: to serve with integrity, respect, and innovation while fostering a team environment that is more inclusive for all.

I invite each of you to engage with us by contacting our Community Outreach Team, joining neighborhood watch programs, or simply sharing your thoughts and experiences with our department. I also encourage you to explore the Corona Police Department's [Strategic Plan Dashboard](#), where you can track our progress as we work toward our vision of Excellence in Policing.

On behalf of the outstanding men and women of the Corona Police Department, thank you for your ongoing support. It is an honor for us to proudly serve this community.

Sincerely,

Robert Newman

Chief of Police

The unit was responsible for putting on hundreds of hours of training and ensuring our officers received several thousand more hours of outside training.

The **FLEX Team** is a pro-active team of officers who primarily focus on the suppression of violent crimes. The "FLEX" in FLEX Team means the team is flexible in their role. In 2024, the team was responsible for 227 arrests, assisted other divisions on 75 investigations, and served 39 search warrants.
