Submission Information:		NIBIN Number:	N21S2949
Name:	Stacey Robinson	Agency Case Number:	210001003

		Method:	UPS
		1Z 26R 071 03 5804 0469	

In an effort to provide the most timely results possible to investigators while maintaining the highest level of accuracy possible, when multiple items are submitted for NIBIN examination and entry, all are grouped based on similarities observed by trained NIBIN personnel and an example from each group is entered into IBIS. All items not entered would possibly be duplications in the database. In the event that an item is unsuitable for NIBIN entry for other reasons, this is noted separately. Firearms that are submitted to the NIBIN Branch are documented for demographic information and cartridge case test samples obtained for acquisition. No examination or function test is performed, and the firearms must be submitted to a qualified firearm examiner in a forensic laboratory if these examinations are required.

The following exhibit(s) were acquired into the Integrated Ballistics Identification System (IBIS) and correlated with the databases in the designated zones(s):

Exhibit #	Zone(s)	Lead* Developed		Comments
		No	Yes	
TF001	3		X	Received two .223 caliber cartridge cases reportedly test fired from a US made .223 caliber rifle, model AR-15, SN: B9FMBUS6C. One cartridge case was selected for NIBIN entry.

THIS IS A NOTIFICATION OF A PRESUMPTIVE INVESTIGATIVE LEAD FROM NIBIN ENTRY.

Evidence may be confirmed by microscopic comparison when requested. Please submit a completed request for laboratory examination to your partner laboratory requesting IBIS lead confirmation.

CREDIT DISABILITY INSURANCE NOTICE
CLAIM PROCEDURE

If you become disabled, you must tell us right away. (You are advised to send this information to the same address to which you are normally required to send your payments, unless a different address or telephone number is given to you in writing by us as the location where we would like to be notified.) We will tell you where to get claim forms. You must send in the completed form to the insurance company as soon as possible and tell us as soon as you do.

If your disability insurance covers all of your missed payment(s), WE CANNOT TRY TO COLLECT WHAT YOU OWE OR FORECLOSE UPON OR REPOSSESS ANY COLLATERAL UNTIL THREE CALENDAR MONTHS AFTER your first missed payment is due or until the insurance company pays or rejects your claim, whichever comes first. We can, however, try to collect, foreclose, or repossess if you have any money due and owing us or are otherwise in default when your disability claim is made or if a senior mortgage or lien holder is foreclosing.

If the insurance company pays the claim within the three calendar months, we must accept the money as though you paid on time. If the insurance company rejects the claim within the three calendar months or accepts the claim within the three calendar months on a partial disability and pays less than for a total disability, you will have 35 days from the date that the rejection or the acceptance of the partial disability claim is sent to pay past due payments, or the difference between the past due payments and what the insurance company pays for the partial disability, plus late charges. You can contact us, and we will tell you how much you owe. After that time, we can take action to collect or foreclose or repossess any collateral you may have given.

If the insurance company accepts your claim but requires that you send in additional forms to remain eligible for continued payments, you should send in these completed additional forms no later than required. If you do not send in these forms on time, the insurance company may stop paying, and we will then be able to take action to collect or foreclose or repossess any collateral you may have given.

OTHER IMPORTANT AGREEMENTS

1. FINANCE CHARGE AND PAYMENTS

a. **How we will figure Finance Charge.** We will figure the Finance Charge on a daily basis at the Annual Percentage Rate on the unpaid part of the Amount Financed. Seller - Creditor may receive part of the Finance Charge.

b. **How we will apply payments.** We may apply each payment to the earned and unpaid part of the Finance Charge, to the unpaid part of the Amount Financed and to other amounts you owe under this contract in any order we choose.

c. **How late payments or early payments change what you must pay.** We based the Finance Charge, Total of Payments, and Total Sale Price shown on page 1 of this contract on the assumption that you will make every payment on the day it is due. Your Finance Charge, Total of Payments, and Total Sale Price will be more if you pay late and less if you pay early. Changes may take the form of a larger or smaller final payment or, at our option, more or fewer payments of the same amount as your scheduled payment with a smaller final payment. We will send you a notice telling you about these changes before the final scheduled payment is due.

d. **You may prepay.** You may prepay all or part of the unpaid part of the Amount Financed at any time. If you do so, you must pay the earned and unpaid part of the Finance Charge and all other amounts due up to the date of your payment. As of the date of your payment, if the minimum finance charge is greater than the earned Finance Charge, you may be charged the difference; the minimum finance charge is as follows: (1) $25 if the original Amount Financed does not exceed $1,000, (2) $50 if the original Amount Financed is more than $1,000 but not more than $2,000, or (3) $75 if the original Amount Financed is more than $2,000.

2. YOUR OTHER PROMISES TO US

a. **If the vehicle is damaged, destroyed, or missing.** You agree to pay us all you owe under this contract even if the vehicle is damaged, destroyed, or missing.

> **GAP LIABILITY NOTICE**
> In the event of theft or damage to your vehicle that results in a total loss, there may be a gap between the amount you owe under this contract and the proceeds of your insurance settlement and deductible. THIS CONTRACT PROVIDES THAT YOU ARE LIABLE FOR THE GAP AMOUNT. An optional debt cancellation agreement for coverage of the gap amount may be offered for an additional charge.

b. **Using the vehicle.** You agree not to remove the vehicle from the U.S. or Canada, or to sell, rent, lease, or transfer any interest in the vehicle or this contract without our written permission. You agree not to expose the vehicle to misuse, seizure, confiscation, or involuntary transfer. If we pay any repair bills, storage bills, taxes, fines, or charges on the vehicle, you agree to repay the amount when we ask for it.

c. **Security Interest.**
You give us a security interest in:
- The vehicle and all parts or goods put on it;
- All money or goods received (proceeds) for the vehicle;
- All insurance, maintenance, service, or other contracts we finance for you; and
- All proceeds from insurance, maintenance, service, or other contracts we finance for you. This includes any refunds of premiums or charges from the contracts.

This secures payment of all you owe on this contract. It also secures your other agreements in this contract as the law allows. You will make sure the title shows our security interest (lien) in the vehicle. You will not allow any other security interest to be placed on the title without our written permission.

d. **Insurance you must have on the vehicle.**
You agree to have physical damage insurance covering loss of or damage to the vehicle for the term of this contract. The insurance must cover our interest in the vehicle. If you do not have this insurance, we may, if we choose, buy physical damage insurance. If we decide to buy physical damage insurance, we may either buy insurance that covers your interest and our interest in the vehicle, or buy insurance that covers only our interest. If we buy either type of insurance, we will tell you which type and the charge you must pay. The charge will be the premium for the insurance and a finance charge computed at the Annual Percentage Rate shown on page 1 of this contract or, at our option, the highest rate the law permits. If the vehicle is lost or damaged, you agree that we may use any insurance settlement to reduce what you owe or repair the vehicle.

e. **What happens to returned insurance, maintenance, service, or other contract charges.** If we get a refund of insurance, maintenance, service, or other contract charges, you agree that we may subtract the refund from what you owe.

3. IF YOU PAY LATE OR BREAK YOUR OTHER PROMISES

a. **You may owe late charges.** You will pay a late charge on each late payment as shown on page 1 of this contract. Acceptance of a late payment or late charge does not excuse your late payment or mean that you may keep making late payments. If you pay late, we may also take the steps described below.

b. **You may have to pay all you owe at once.** If you break your promises (default), we may demand that you pay all you owe on this contract at once, subject to any right the law gives you to reinstate this contract.
Default means:
- You do not pay any payment on time;
- You give false, incomplete, or misleading information on a credit application;
- You start a proceeding in bankruptcy or one is started against you or your property;
- The vehicle is lost, damaged or destroyed; or
- You break any agreements in this contract.

The amount you will owe will be the unpaid part of the Amount Financed plus the earned and unpaid part of the Finance Charge, any late charges, and any amounts due because you defaulted.

c. **You may have to pay collection costs.** You will pay our reasonable costs to collect what you owe, including attorney fees, court costs, collection agency fees, and fees paid for other reasonable collection efforts. You agree to pay a charge not to exceed $15 if any check you give to us is dishonored.

d. **We may take the vehicle from you.** If you default, we may take (repossess) the vehicle from you if we do so peacefully and the law allows it. If your vehicle has an electronic tracking device, you agree that we may use the device to find the vehicle. If we take the vehicle, any accessories, equipment, and replacement parts will stay with the vehicle. If any personal items are in the vehicle, we may store them for you at your expense. If you do not ask for these items back, we may dispose of them as the law allows.

e. **How you can get the vehicle back if we take it.** If we repossess the vehicle, you may pay to get it back (redeem). You may redeem the vehicle by paying all you owe, or you may have the right to reinstate this contract and redeem the vehicle by paying past due payments and any late charges, providing proof of insurance, and/or taking other action to cure the default. We will provide you all notices required by law to tell you when and how much to pay and/or what action you must take to redeem the vehicle.

Buyer Signs X _____ Co-Buyer Signs X N/A

f. **We will sell the vehicle if you do not get it back.** If you do not redeem, we will sell the vehicle. We will send you a written notice of sale before selling the vehicle.
We will apply the money from the sale, less allowed expenses, to the amount you owe. Allowed expenses are expenses we pay as a direct result of taking the vehicle, holding it, preparing it for sale, and selling it. Attorney fees and court costs the law permits are also allowed expenses. If any money is left (surplus), we will pay it to you unless the law requires us to pay it to someone else. If money from the sale is not enough to pay the amount you owe, you must pay the rest to us. If you do not pay this amount when we ask, we may charge you interest at the Annual Percentage Rate shown on page 1 of this contract, not to exceed the highest rate permitted by law, until you pay.

g. **What we may do about optional insurance, maintenance, service, or other contracts.** This contract may contain charges for optional insurance, maintenance, service, or other contracts. If we demand that you pay all you owe at once or we repossess the vehicle, you agree that we may claim benefits under these contracts and cancel them to obtain refunds of unearned charges to reduce what you owe or repair the vehicle. If the vehicle is a total loss because it is confiscated, damaged, or stolen, we may claim benefits under these contracts and cancel them to obtain refunds of unearned charges to reduce what you owe.

4. WARRANTIES SELLER DISCLAIMS

If you do not get a written warranty, and the Seller does not enter into a service contract within 90 days from the date of this contract, the Seller makes no warranties, express or implied, on the vehicle, and there will be no implied warranties of merchantability or of fitness for a particular purpose.
This provision does not affect any warranties covering the vehicle that the vehicle manufacturer may provide. If the Seller has sold you a certified used vehicle, the warranty of merchantability is not disclaimed.

5. Used Car Buyers Guide. The information you see on the window form for this vehicle is part of this contract. Information on the window form overrides any contrary provisions in the contract of sale.
Spanish Translation: Guía para compradores de vehículos usados. La información que ve en el formulario de la ventanilla para este vehículo forma parte del presente contrato. La información del formulario de la ventanilla deja sin efecto toda disposición en contrario contenida en el contrato de venta.

6. SERVICING AND COLLECTION CONTACTS

You agree that we may try to contact you in writing, by e-mail, or using prerecorded/artificial voice messages, text messages, and automatic telephone dialing systems, as the law allows. You also agree that we may try to contact you in these and other ways at any address or telephone number you provide us, even if the telephone number is a cell phone number or the contact results in a charge to you. **You agree that you will within a reasonable time notify us of any change in your name, address, or employment.**

7. APPLICABLE LAW

Federal law and California law apply to this contract. If any part of this contract is not valid, all other parts stay valid. We may delay or refrain from enforcing any of our rights under this contract without losing them. For example, we may extend the time for making some payments without extending the time for making others.

8. WARRANTIES OF BUYER

You promise you have given true and correct information in your application for credit, and you have no knowledge that will make that information untrue in the future. We have relied on the truth and accuracy of that information in entering into this contract. Upon request, you will provide us with documents and other information necessary to verify any item contained in your credit application.

You waive the provisions of Calif. Vehicle Code Section 1808.21 and authorize the California Department of Motor Vehicles to furnish your residence address to us.

Seller's Right to Cancel

a. Seller agrees to deliver the vehicle to you on the date this contract is signed by Seller and you. You understand that it may take some time for Seller to verify your credit and assign the contract. You agree that if Seller is unable to assign the contract to any one of the financial institutions with whom Seller regularly does business under an assignment acceptable to Seller, Seller may cancel the contract.

b. Seller shall give you written notice (or in any other manner in which actual notice is given to you) within 10 days of the date this contract is signed if Seller elects to cancel. Upon receipt of such notice, you must immediately return the vehicle to Seller in the same condition as when sold, reasonable wear and tear excepted. Seller must give back to you all consideration received by Seller, including any trade-in vehicle.

c. If you do not immediately return the vehicle, you shall be liable for all expenses incurred by Seller in taking the vehicle from you, including reasonable attorney's fees.

d. While the vehicle is in your possession, all terms of the contract, including those relating to use of the vehicle and insurance for the vehicle, shall be in full force and you shall assume all risk of loss or damage to the vehicle. You must pay all reasonable costs for repair of any damage to the vehicle until the vehicle is returned to Seller.

NOTICE: ANY HOLDER OF THIS CONSUMER CREDIT CONTRACT IS SUBJECT TO ALL CLAIMS AND DEFENSES WHICH THE DEBTOR COULD ASSERT AGAINST THE SELLER OF GOODS OR SERVICES OBTAINED PURSUANT HERETO OR WITH THE PROCEEDS HEREOF. RECOVERY HEREUNDER BY THE DEBTOR SHALL NOT EXCEED AMOUNTS PAID BY THE DEBTOR HEREUNDER.

The preceding NOTICE applies only to goods or services obtained primarily for personal, family or household use. In all other cases, Buyer will not assert against any subsequent holder or assignee of this contract any claims or defenses the Buyer (debtor) may have against the Seller, or against the manufacturer of the vehicle or equipment obtained under this contract.

No additional terms to be entered in this box.

Notice to buyer: (1) Do not sign this agreement before you read it or if it contains any blank spaces to be filled in. (2) You are entitled to a completely filled in copy of this agreement. (3) You can prepay the full amount due under this agreement at any time. (4) If you default in the performance of your obligations under this agreement, the vehicle may be repossessed and you may be subject to suit and liability for the unpaid indebtedness evidenced by this agreement.

If you have a complaint concerning this sale, you should try to resolve it with the seller.
Complaints concerning unfair or deceptive practices or methods by the seller may be referred to the city attorney, the district attorney, or an investigator for the Department of Motor Vehicles, or any combination thereof.
After this contract is signed, the seller may not change the financing or payment terms unless you agree in writing to the change. You do not have to agree to any change, and it is an unfair or deceptive practice for the seller to make a unilateral change.

The Annual Percentage Rate may be negotiable with the Seller. The Seller may assign this contract and retain its right to receive a part of the Finance Charge.

THERE IS NO COOLING-OFF PERIOD UNLESS YOU OBTAIN A CONTRACT CANCELLATION OPTION

California law does not provide for a "cooling-off" or other cancellation period for vehicle sales. Therefore, you cannot later cancel this contract simply because you change your mind, decide the vehicle costs too much, or wish you had acquired a different vehicle. After you sign below, you may only cancel this contract with the agreement of the seller or for legal cause, such as fraud. However, California law does require a seller to offer a two-day contract cancellation option on used vehicles with a purchase price of less than forty thousand dollars ($40,000), subject to certain statutory conditions. This contract cancellation option requirement does not apply to the sale of a recreational vehicle, a motorcycle, or an off-highway motor vehicle subject to identification under California law. See the vehicle contract cancellation option agreement for details.

YOU AGREE TO THE TERMS OF THIS CONTRACT. YOU CONFIRM THAT BEFORE YOU SIGNED THIS CONTRACT, WE GAVE IT TO YOU, AND YOU WERE FREE TO TAKE IT AND REVIEW IT. YOU CONFIRM THAT YOU RECEIVED A COMPLETELY FILLED-IN COPY WHEN YOU SIGNED IT.

TERMS AND CONDITIONS

1. Cancellation Option and Purchase Price. Under the terms and conditions of this Contract Cancellation Option Agreement ("Agreement"), you agree to buy the option to cancel the retail installment sale contract or purchase order for the Cancellation Option Purchase Price shown above.

2. Cancellation Option Period. You agree that if you exercise the option to cancel the retail installment sale contract or purchase order, you must do so by the Cancellation Date/Time shown above. You may not cancel after the Cancellation Date/Time shown above. You may not cancel if, after the Vehicle Delivery Date, the Vehicle's mileage exceeds the Odometer Reading by the number of miles shown in the Mileage Restriction box above.

3. Restocking Fee. If you exercise the option to cancel the retail installment sale contract or purchase order, you agree to pay a Restocking Fee in the amount shown in the Restocking Fee box above. The restocking fee schedules above indicate the maximum charges that a dealer may collect in connection with this Agreement pursuant to Section 11713.21 of the California Vehicle Code. The Standard Restocking Fee Schedule above applies to all Buyers except for a Buyer who was a lessee of the Vehicle immediately preceding his or her purchase of the Vehicle ("Lessee"). If you were the Lessee, the Lessee Restocking Fee Schedule above applies to you and you understand that the maximum restocking fee is determined by taking the sum of: (1) the amount you would have been obligated to pay to the lessor, at time of lease termination for excess mileage, unrepaired damage, and excess wear and tear as specified in your lease agreement as if you had not purchased the Vehicle or this contract cancellation option, and (2) the maximum restocking fee as shown in the Standard Restocking Fee Schedule. The amount paid by you for the contract cancellation option shall be applied toward the restocking fee.

4. Exercising Your Cancellation Option. You understand that this cancellation option gives you the right to cancel the purchase of the Vehicle and obtain a full refund, less the Restocking Fee shown above. You understand that the right to cancel will apply only if, within the time shown above, you:

- Personally sign and deliver to us a written notice exercising the right to cancel. You may do so by returning a copy of this Agreement with the "Exercise of Option to Cancel and Return the Vehicle" section completed below;
- Pay the Restocking Fee shown above;
- Return your copies of this Agreement, the original retail installment sale contract or purchase order, all related documents, and all original vehicle titling and registration documents, if any;
- Execute any documents reasonably necessary to effectuate the cancellation and refund, and as reasonably required to comply with applicable law; and
- Return the Vehicle free of all liens and encumbrances other than the lien or encumbrance created by the retail installment sale contract or loan arranged by us or any purchase money loan obtained from a third party and in the same condition as when it was received except for reasonable wear and tear and any mechanical problems that become evident after the Vehicle Delivery Date shown above that were not caused by you.

Abrasions

Abrasions are skin scrapes. Their treatment depends on how large and deep the abrasion is.

Home care

You may be prescribed an antibiotic cream or ointment to apply to the wound. This helps prevent infection. Follow instructions when using this medicine.

General care

- To care for the abrasion, do the following each day for as long as directed by your healthcare provider:
  - If you were given a bandage, change it once a day. If your bandage sticks to the wound, soak it in warm water until it loosens.
  - Wash the area with soap and warm water. You may do this in a sink or under a tub faucet or shower. Rinse off the soap. Then pat the area dry with a clean towel.
  - If antibiotic ointment or cream was prescribed, reapply it to the wound as directed. Cover the wound with a fresh nonstick bandage. If the bandage becomes wet or dirty, change it as soon as possible.
  - Some antibiotic ointments or cream can cause an allergic reaction or dermatitis. This may cause redness, itching and or hives. If this occurs, stop using the ointment right away and wash off any remaining ointment. You may need to take some allergy medicine to relieve symptoms.

- You may use acetaminophen or ibuprofen to control pain unless another pain medicine was prescribed. Talk with your healthcare provider before using these medicines if you have chronic liver or kidney disease or ever had a stomach ulcer or GI (gastrointestinal) bleeding. Don't use ibuprofen in children younger than 6 months old.
- Most skin wounds heal within 10 days. But an infection may occur even with treatment. So it's important to watch the wound for signs of infection as listed below.

Follow-up care

Follow up with your healthcare provider, or as advised.

When to get medical advice

Call your healthcare provider right away if any of these occur:

- Fever of 100.4ºF (38ºC) or higher, or as directed by your healthcare provider
- Increasing pain, redness, swelling, or drainage from the wound
- Bleeding from the wound that does not stop after a few minutes of steady, firm pressure
- Decreased ability to move any body part near the wound

About Arrhythmias

Electrical impulses cause the normal heart to beat 60 to 100 times a minute while at rest. These impulses come from a natural pacemaker called the sinus node. It is, inside the right upper heart chamber. Electrical impulses travel throughout the upper heart chambers (the atria) before reaching the bottom muscle chambers ((the ventricles) through an electrical connection called the AV node. Each impulse causes the heart muscle to contract. This causes the blood to flow through the heart and out to the tissues and organs of your body.

An arrhythmia is a change from the normal speed or pattern of these electrical impulses. This can cause the heart to beat too fast (tachycardia), too slow (bradycardia), or in an unsteady pattern (irregular rhythm).

Symptoms of arrhythmias

Different people experience arrhythmias differently. And different arrhythmias can cause different symptoms. Sometimes you may not have symptoms, but just notice a change in your pulse. Symptoms can include:

- Fluttering feeling in the chest
- Shortness of breath
- Chest pain or pressure
- Neck fullness
- Lightheadedness or dizziness
- Fainting or almost fainting

- Palpitations. This is the sense that your heart is fluttering or beating fast or hard or irregularly.
- Tiredness, fatigue, or weakness
- Cardiac arrest, and death, in serious arrhythmias

Causes of arrhythmias

Arrhythmias are most often caused by heart disease, such as:

- Coronary artery disease ("blocked arteries")
- Heart valve disease
- Enlarged heart
- High blood pressure
- Heart failure

Other causes of arrhythmia include:

- Certain medicines such as asthma inhalers and decongestants
- Some herbal supplements
- Cardiac stimulant drugs such as cocaine, amphetamine, and diet pills, and certain decongestant cold medicines, caffeine, and nicotine
- Heavy use of alcohol
- Anxiety and panic disorder
- Thyroid disease
- Anemia
- Diabetes
- Sleep apnea
- Obesity
- Congenital heart disease
- Cardiac genetic diseases
- Electrolyte imbalance. Electrolytes are substances that help regulate normal heartbeat., High or low levels of certain electrolytes such as potassium or magnesium may affect the heartbeat and contribute to arrhythmia.

Arrhythmias can often be prevented. The cause and type of arrhythmia determines the best treatment. Sometimes your doctor may want to monitor your heart rate over a 24-hour period or longer. This can help find the cause of your arrhythmia and find the best treatment. This can be done with a Holter monitor. This is a portable electrocardiogram (ECG) recording device attached by wires to your chest. Or you may get an event monitor, which you can place over the skin in front of your heart to record heart rhythms. You can carry this with you as you go about your routine activities during the monitoring period. Implantable loop recorders may also be used to monitor the heart rhythm for up to 3 years. This miniature device is placed underneath the skin over the heart.

Home care

These guidelines will help you care for yourself at home:

- Stay away from cardiac stimulants such as cocaine, amphetamine, diet pills, certain decongestant cold medicines, caffeine, and nicotine.
- If you smoke, stop smoking. Contact your doctor or a local stop-smoking program for help.
- Tell your doctor about any prescription, over-the-counter, or herbal medicines you take.

These may be affecting your heart rhythm.

Follow-up care

Follow up with your healthcare provider, or as advised. If a Holter monitor has been recommended, contact the cardiologist you have been referred to as soon as you can pick up the device. Other outpatient tests may also be arranged for you at that time.

Call 911

This is the fastest and safest way to get to the emergency department. The paramedics can also start treatment on the way to the hospital, if needed.

Don't wait until your symptoms are severe to call 911. Other reasons to call 911 besides chest pain include:

- Chest pain radiating to the shoulder, arm, neck, or back.
- Shortness of breath
- Feeling lightheaded, faint, or dizzy
- Unexplained fainting
- Rapid heart beat
- Slower than usual heart rate compared to your normal
- Very irregular heartbeat
- Chest pain (angina) with weakness, dizziness, heavy sweating, nausea, or vomiting
- Extreme drowsiness, or confusion
- Weakness of an arm or leg or one side of the face
- Trouble with speech or vision

When to seek medical advice

Remember, things are not always like they are on TV. Sometimes it is not so obvious. You may only feel weak or just "not right." If it is not clear or if you have any doubt, call for advice.

- Seek help for chest pain, or if something feels different from usual, even if your symptoms are mild.
- Don't drive yourself. Have someone else drive. If no one can drive you, call 911.
- If your doctor has given you medicines to take when you have symptoms, take them, but don't delay getting help while trying to find them.
